Recorded clinician (fictional)	Dr SYNTHETIC Triya Sethi 00009
Source visit	ANC_VISITS-SYN-0000007

Medication / supplement record

Iron and folic acid: Supplied at this visit

Calcium: Supplied at this visit

Dose, frequency and duration are not specified in the source dataset. They have not been invented. Confirm the actual prescription with your clinician.

This archival demo reproduces the medicines-supplied fields in the synthetic visit. It is not a signed prescription and must not be used to start, stop or change treatment.

Synthetic demonstration document - all people and facilities are fictional. Not a clinical certificate. No clinician signature or verification is implied.
